Greetings! In this issue: President Report; Board Of Directors News Release; LiNC Sabbath Service; Camp Woody Acres 2020; Children's Resources; Lighthouse VOAR ; Lighthouse Radio Program; Stuffed At the Gill's...

President Report:

Since my last statement issued March 17, 2020, daily, the COVID-19 virus is taking NL and, yes, the world to new levels of concern. Our frontline workers are working hard to bring everything under control. However, despite their best efforts, it seems to continue spreading leaving us the citizens to step up to the moment and respond more seriously.

I had suggested in my last message that by April 4, we may have turned a corner with this Pandemic and be ready to fellowship again in our churches. However, the spread and severity of the virus are increasing, and we will have to continue social distancing.

Inevitably, we are encouraging our churches to shift their programs from onsite to online for the foreseeable future.

For our members and friends across Newfoundland and Labrador, we invite you to a weekly Zoom Sabbath worship. Each Sabbath, we will begin with a season of prayer at 9:45 a.m. at 10:00 a.m. we will have our Sabbath School study with the theme of this quarter's 'Importance of Scripture.'

At 11:00 a.m., the Zoom Conference will present full Divine worship using our local pastors across the island as the speakers. All are welcome. If you need the login information, the link will be in the weekly eREPORT, on our Facebook page, and also on our website. If you have any issues, please contact Xenia Capote at xcapote@nladventist.ca or Kaitlynn Harushimana kharushimana@nladventist.ca.

Please note that the Mission Office and Lighthouse VOAR staff are now working from home. If you need to reach us, please contact:

Xenia Capote (Treasurer) 682-0284
Ken Corkum (President) 682-8139
Andre Hibbert (Accountant) 685-7192
Jack Baier (Assist-Accountant) 722-5998
Sherry Griffin (Lighthouse FM) 325-7627

Each staff will be rotating times throughout the week to complete office work while still practicing social distancing.

Social media is helping us to keep in touch as we have our Zoom worship at 9:00 a.m. each morning and a staff meeting each Tuesday following worship. Our Pastoral Staff will meet every Monday morning at 10:00 on a Conference Call and the Presidents of our Conferences of North America meet once a month via Conference Zoom.

I express my gratitude to God that technology has allowed us to join together through social media sources for times of work, sharing, prayer, and worship. What we can experience now would not have been available a few years ago, thank you, Lord!

As followers of Christ, we do not respond in the same way as those who have no hope or who do not understand the worldview of the Great Controversy between Christ & Satan.

We know the source of pain is Satan, and the source of contentment is God. As the world is stricken with fear the Christian trusts God and lives in hope. Let us be an encouragement to our friends and neighbors who should see confidence and faith in us that God will help carry us through the valleys of the pain of the moment.

Be faithful, do your part as a good citizen and trust God,

Pastor Ken Corkum

Board Of Directors News Release

March 22, 2020

Association of Adventist Colleges & University Contact: The Board of Directors authorized the Association of Adventist Colleges and Universities to make contact with our young people in NL, sharing info on Christian Education, encouraging the NL youth to consider this option for higher education.

Treasurer's Report: Xenia Capote reported that the 2019 figures were in, and our Tithe income for 2019 was \$79,332.97 above budget for income and \$9,082.28 over budget for expenses. This resulted in being a very positive operating year for which we are thankful. Our treasurer also reported that the tithe received so far for 2020 is exceeding the amount received last year this time. However, it raised caution that COVID-19 is probably going to impact our tithe as some of our people have lost their jobs. She encouraged all of us to be faithful in supporting the Lord's work.

Camp Meeting 2020 : The NL Board members made the difficult decision to cancel the camp meeting program for 2020. However, it was felt we should keep a watchful eye on the COVID-19 pandemic as we may be able to have some special programs during the summer if things improve.

Youth Camps 2020 : The members of the NL Board felt we should take a conservative and restraining approach to programs for this year and that it would not be wise to contract the approximately 20 summer staff at this time and have an obligation if the pandemic continues into the summer. The decision was made to cancel the summer Junior and Discipleship camps hoping that if circumstances improve, we may have some special events like youth rallies, VBS programs, and day camps.

NL Evangelism Visioning Committee: Presented their report to keep members and leaders informed that God has called us to share the good news. Not only to our members, but to our friends and neighbours. They had suggestions also of possible opportunities for expanding our mission going forward.

Lighthouse FM: We received a report from Sherry Griffin, Manager of Lighthouse FM, who was pleased share that the new FM station App was advertised for March in the Messenger. She encouraged all of us to download the App and engage the options on it.

Defibrillators : The NL Board received a report on the possible cost of having defibrillators in our churches, making them prepared for any medical emergency. We will consider this in the fall of 2020.

New Representative for Newfoundland at SDACC Board: Ross Murley of Marystown was voted to be the next representative at the Canadian Board of Directors, which meets three times a year. This Board oversees the work of Canada and the organizations that minister on the Canadian scene such as: ADRA, It Is Written Canada, Retirements, and others.

With the COVID-19 virus closing down normal operations, the NL Board conducted its business over ZOOM Conference.

Continue to pray for our members and the operations of NL during these challenging times.

Camp Woody Acres

Cancelled summer 2020

Youth Camp Director: Kaitlynn Harushimana

The Newfoundland Mission Board of Directors met Sunday, March 22, and voted to cancel the Newfoundland 2020 Camp Meeting and all summer camp programs due to the COVID-19 Pandemic. Our Camp Staff are in the process of developing online resources and other services that will hopefully be a blessing to everyone. We are also looking at weekend programs we can have during the summer if this Pandemic passes. Please watch for more information and updates on our reports, website, and Facebook page.

We're sad to make this announcement, but we know that God is still in control through it all. Thank you for your continuous support, and we look forward to reuniting again.

Children's Resources

Free Online Resources

We have recently released several online children's resources on our Facebook page. We will also have them posted in the email, which is sent out to all the eREPORT contacts. But, each week, we want to share another resource for you. Here are two new resources you can try with your children.

First, online at www.discoverymountain.com; you can follow a mini-adventure in Discovery Mountain! The adventures are small, but the faith exercises are big! Also, Join Ms. Jean each day at 2:30 p.m. Newfoundland Time on Facebook LIVE for a story! Scroll down our Facebook page for the videos. We might be isolated from our friends right now, but we can still enjoy virtual fellowship and fun! See you at 2:30 p.m. for #virtualstorytime.

Second, Pacific Press Publishing Association makes weekly children's publications temporarily available for free online North American Division of Seventh-day Adventists. "Despite the chaos in our world, God is still in control," a Pacific Press representative said. "We want to continue ministering to our readers through the use of technology during these trying times." You can receive these resources at www.primarytreasure.com and www.guidemagazine.org.

Stuffed At the Gill's

Taken from: stuffedatthegills.ca

Ingredients

- 1 pound/454 grams dried yellow split peas, about 2 rounded cups
- Water, as needed
- 1 vegetarian "beef" bouillon cube, optional
- Salt and pepper, to taste
- Butter to taste--lots of butter

Instructions

Sort through the peas before cooking. Remove any shrivelled or dirty looking peas. Be on the look-out for small stones. In a strainer, wash and rinse the peas with cold water. Place the peas in a medium large sauce pan and cover with more cold water. Place on a medium high burner and bring the split peas to a boil. Once the peas boil, turn down the heat so the peas will simmer.

Once the peas start to soften, about an hour, season with the bouillon cube or use about ½ teaspoon salt if you don't use the bouillon. Let the peas remain on the stove, on simmer, until they become soft and mushy. Add more water if needed. Cook until the peas are quite thick. Stir occasionally so the peas won't stick. The whole process will take 2-2½ hours to complete.

Once the peas have cooked to the desired consistency season with salt and pepper to taste and beat in as much butter as you like. At least 2 or 3 tablespoons. (If you wish to keep this vegan use a vegan margarine.)

Pease Pudding can be made the day before and stored in the refrigerator. Reheat in the microwave or on top of the stove. Stir several times to ensure the pudding heats through.

Pease Pudding will become thicker the longer it sits. If it becomes too dry, add a little water to bring it back to the proper consistency.

Store any leftover pudding covered in the refrigerator for several days. Leftover Pease Pudding can also be used to make a quick pea soup or a delicious vegetarian dinner loaf.
