Cottrell's Cove Church Sing Along

On Friday, September 7, 2018, at 7 p.m. the Cottrell's Cove Seventh-day Adventist Church Congregation hosted a sing-along. There were approximately 60 people in attendance, with ages ranging from 2-80 years old. In attendance were many families from away; such as the Manuel-Thomas family who were home from Seattle, Washington and Oshawa, Ontario. There was also a

lovely surprise visit from Pastor John and Marilyn Murley, who came to show support to their former home church. In addition, support of friends and family from surrounding communities, such as Fortune Harbour, Point Leamington, Point of Bay, Phillip's Head, Botwood, Grand Falls-Windsor and Sandy Point. People came from far and wide to join together in a beautiful night of singing. The organizer of the event, Lucy Moores says "this event is something to be remembered, people even said it was the best night of singing that we have ever had together." That is quite a statement being that these sing-alongs have been happening since 2010 and they aim to have at least four per year.

With the help of her husband Raymond, local Pastor Jonathan and Ana Gascoyne, and the others who faithfully help prepare meals and bring the voices, they hope to continue this tradition of Friday night singing. The next sing-along is planned for the first week in December and Lucy, along with all of the others, invite everyone to come and share a song, poem, and always, love.

"He gives power to the weak and strength to the powerless." - Isaiah 40:29

No matter what the situation, remember that God is in control, not you. When you're feeling powerless, God will empower you. And remember that whatever work you do, do it wholeheartedly for the Lord and your work will be blessed.

"He gives *strength* to the weary and increases the power of the weak."

Corner Brook Summer Recap; Farewell, Goodbye, and Welcome

Submitted by Lawrence & Diane Burns, Ministry Coordinators, Corner Brook

Every summer we look forward to the influx of VBX (Vacation Bible Xperience) and CYC (Canada Youth Challenge) young people who come to Corner Brook. We are very grateful for their wonderful ministries, their energy, and enthusiasm. They work hard to make a difference in the lives of others. A special "THANK YOU!" to each one. We know the schedules were busy and there were challenges, but they blessed the lives of those who attended the VBX program and those they met going door-to-door. The international students who come-from-away are special to us.

This summer we also said farewell to Bumo, Rumbi, little Micah, and Abigail. Our hearts were heavy and we do miss them so much. We also said farewell to precious friends Elizabeth and Phonse Keough who moved to Ontario to be with their son Raymond and family. We miss her sweet smile and his great guitar pickin'. However, we also had the opportunity to welcome

Conception Bay South

Within his first few months here in Newfoundland, Pastor Ely Magtanong has been looking for new ways to reach out and get to know the people in his community. Throughout this month, he has started taking part in community activities where he was able to meet CBS activity supervisors. Throughout his interactions with these supervisors, they have shared some information for members and their Families.

Walking for Wellness is a program which takes place every Wednesday at 10:30 a.m. for the next eight weeks. Walking for Wellness is a free program that allows older adults to explore the trails of Conception Bay South. It will enable all to get out, meet new people, and stay active in a group setting. The advertisement states that you may walk at your own pace or the pace of the group and a group leader will meet you at the designated meeting area. Rain or shine the walks will still go ahead, so dress appropriately. Pastor Ely says,

"Wouldn't this be an amazing idea of how we could reach our communities all over Newfoundland and Labrador?" If you are passionate about staying active, social, and wanting to try something new, Pastor Ely encourages you to contact him or visit www.conceptionbaysouth.ca and learn more.
