Words of Encouragement

“
everything you need
to accomplish your goals
is already in you.”

“If your gift is to encourage others, be encouraging. If it is giving, give generously. If God has given you leadership ability, take the responsibility, take the responsibility seriously. And if you have a gift for showing kindness to others, do it gladly.” – Romans 12:8

Our surroundings sometimes push us to be something that we're not, but this is a good reminder that each one of us is unique with our talents. We should treasure the things that we're good at and do those things well. You can honour God by putting your skills to good use. Do them with passion, kindness, and vigour.
