## Corner Brook

Sabbath Service | Submitted by: Pastor Ken Corkum

With leaves beginning to change colour, people gathered together for worship, and food on the table, it was an inspiring delight this past weekend in Corner Brook. The Corner Brook Church was delighted to have Pastor Ken and Celest visit on Sabbath, October 20. Pastor Ken preached and led out in the Communion Service. Celest delighted the children with a personal story of how her family discovered Jesus and the Adventist Church. There were two individual pieces of music, one by Heather Perez Diaz and another by Kevin Bennett which genuinely enhanced the Communion experience. Members and visitors enjoyed the food and fellowship at the potluck dinner. All had a grand time!

# Marystown

The purchase of a new sign | Information provided by Ros Murley

For those of you that do not know, the sign at the Marystown Seventh-day Adventist Church blew down a few years ago. The old sign made with weaker materials wore over time. The folks of Marystown congregation have expressed concern about not having the sign replaced. Therefore, the Church as a whole has decided to take a leap of faith and help this project succeed. It is essential to the members of Marystown to replace the sign because it is a sign of hospitality. The members and people of Marystown Church want to always have the mindset that they are waiting for guests, and desire for them to come and find their Church. The town officials have already granted the permit at no cost which is the beginning of many blessings to come. The members will partake in a variety of fundraising events, and welcome any donations.
