## Camp Woody Acres 2019

Another summer is approaching, and we are anticipating a successful year at camp. Camp meeting at Woody Acres Camp will run from July 19-27, 2019, where people will meet together for fellowship, family time, and attend a variety of meetings. The evening speaker will be Mike Tucker of 'Faith for Today', accompanied by his wife, and singer, Pam Tucker. There will be Cradle-Roll, Primary, Pathfinder, and Youth meetings. We will be bringing back favourite waterfront and rock wall activities.

Last year we enjoyed friends coming together and families reunited, and all were able to join together in Christ and have a week that was led by the Holy Spirit. We are looking forward to another successful camp meeting.

## St. John's Church

Information Provided By: Mrs. Celeste Corkum

On Saturday, January 19, 2019, snow started in the morning just a few hours before church. Did it ever come down! Many were unable to make it to the service, but those who did were blessed. The contracted plow and the first comers descended upon the church and quickly shovelled and cleared the way. It was a wonderful spirit of energy and cheerfulness. Sabbath School and Church went on beautifully with volunteers who filled in the program as needed. The scheduled Communion Service went ahead as planned despite the few in numbers. It was tough getting there, but the Lord blessed all who came and all who put their heart into making it happen, such as our Faithful Chris Dempsey.

## Marystown Church Cold Plate Fundraiser

The Marystown Church held their Cold Plate fundraiser Wednesday, January 23, 2019. It was an enjoyable time as people laughed, talked, and fellowshiped together. With Shirley Murley taking the lead, helped by friends and members, the entire fundraiser was a great success. Pastor Etienne said, "This event was a great example of what can happen when people come together to do God's work. Everyone came along with a few ingredients and a common goal to get things done. I had never seen a cold plate before, so as everyone came bringing their

different things, I couldn't imagine how we were going to make this work. However, with all the helpers working diligently to prepare it came together into a colourful masterpiece. After the

preparation, we were able to deliver. They are giving us a chance to meet everyone who had ordered. Between dropping boxes at businesses and going to peoples doors, I was able to meet many members of the community. This fundraiser not only gave us the opportunity to raise money for our church renovations, but it also showed us all how much fun and how exciting ministry can be when we come together as a family. Thank you to everyone who came to help. I am looking forward to many more events together."
