St. John's Pathfinders and Upcoming Youth Day

Information and Photos provided by: Jenny Purcell

On March 30th, the St. John's Pathfinder and Adventurer Clubs went door-to-door collecting non-perishable food items. The group was led by Leader Jenny Purcell and assisted by Mr. Purcell, Pastor Ken and Celest Corkum, Holly Anthony, Carmen Rowse, and Pastor Jamie and Sarah Joseph. All items collected were donated to the church food bank. Jenny says, "It was a beautiful blessing to see these children so excited to go out and meet community members, as well as filling the pantry. When asked what their favorite part of the day? Someone said, "seeing the once empty shelves full!!! The group had a wonderful time together, and their efforts were much appreciated. All are excited for their next upcoming 'Youth Day' event Saturday, April 27 at 8 P.M. with guest speaker Pastor Jonathan Gascoyne.

Fundraising For Jayden

Information and Photos provided by: Jenny Purcell

Jayden Purcell is an 11-year-old member of the St. John's Seventh-day Adventist Church. For those who do not know Jayden; he is a fun-loving, adventurous, considerate, witty child who through many surgeries and trials has never lost faith in a loving and all-powerful God. Jayden, along with his Sister Noelle, believes with all their heart that God has a reason why he is facing so many tests. Jayden Purcell was born with a heart condition that has left him with many complications throughout his young life. However, you cannot be sorrowful around Jayden because he's full of joy! Currently, the conduit in place for his pulmonary artery is 90% blocked, and the stent is not working. This blockage is not allowing oxygenated blood to travel properly around his body. Jayden's mom says, "This blockage now means we have to travel to the sick kids' hospital in Toronto, where Jayden will have open heart surgery to repair these issues. This is Jayden's 8th heart surgery and 3rd open heart. All prayers are appreciated. Any donations to help lift the financial burden are much appreciated and can be done via e-transfer to fundsforjayden@gmail.com."

Jenny, Hughie, and Noelle have always been by Jayden's side through everything and pray for him continually. Jenny says that, "Noelle cries with him when Jayden is hurting and will do everything to make him laugh when he is in pain. She has a very soft loving heart and will do anything for her brother! Noelle is a tremendous support to me when Jayden is going through his surgeries." It is never easy for a family to go through hard times, but the Purcell's thank God that they have each other and they are rooted in Christ. Every person that Jayden meets feels God's love and the Holy Spirits presence in him, and we continue to pray that this surgery will help him so that he continues to impact all the people he meets.
