## YOUTH SPOTLIGHT

Photos Taken: From Facebook | Written By: Kaitlynn Harushimana

Noelle and Jayden Purcell are two Newfoundland Youth who attend the St. John's Seventh-day Adventist Church. They are both also students at a local junior high school in St. John's. Noelle and Jayden have always loved to help where they can. This past Valentine's day, February 14, 2020, Noelle and Jayden baked cookies for the staff and

students at their school. They also brought in chocolate frogs on a stick for all the teachers. To top it all off, they took the time to hide little ducks around the school with kind words written on them.

This little act of kindness made it to a teacher's twitter page where he wrote "Homemade cookies and Valentine treats. Talk about spreading kindness. Thanks, Noelle and Jayden." Mother Jenny Purcell posted this lovely act of kindness to Facebook for us all to see. It is quite encouraging when we see our Newfoundland Youth taking the initiative to show God's goodness to those around them.

It is proven that showing someone kindness reduces stress, boosts self-esteem, and leads to better physical, spiritual, and emotional health. May we all be encouraged to show selfless concern towards others. If you have a story of kindness to share, please send it to us so we can publish it! Sharing kindness, Gods' love, and positivity.

Great job Noelle and Jayden!

# CORNER BROOK

Photos By: Diane Burns | Written By: Diane Burns

Irene Alice Stagg passed away Friday, February 28, 2020 at Western Memorial Regional Hospital at the age of 87. (Just a couple of weeks short of her 88<sup>th</sup> birthday on March 16.) She had five daughters and two sons, 14 grandchildren, and 20 great grandchildren.

Irene, a member of the Corner Brook church for 15 years, was baptized on March 26, 2005 by Pastor Robert Pohle. She was faithful to God and His word, loved to laugh, had a great memory, and enjoyed attending Camp meeting. The family is planning a Service of Remembrance at a later date.

## Games Night:

Several months ago church friends invited a little girl to a Games Night. She loved it and couldn't wait to come again. For various reasons, she was unable to

attend other Game Nights. Another games night was scheduled for December 31 and the night before we prayed for the little girl. How delightful it was when she walked in, bringing with her three of her siblings and four other family members. Along with a few university students and other church family they enjoyed the board games, ping pong, foosball, some crafts, and great veggie pizza & garlic fingers prepared on site by Chef Dwayne Carter.

---

**Rock Art Ministries:** Painting rocks with messages of God's love & encouragement is a popular activity in the Corner Brook area, enjoyed by young and old alike. First time artists have discovered a new talent and a visiting family did a few NL themed pieces. The rocks are given away or hidden on walking trails to be treasured by those who find them, or rehide again.

## WOMEN'S DAY OF PRAYER

Photos By: Kaitlynn Harushimana | Written By: NAD

The Women's Day of Prayer provides an opportunity for women to learn about each other and pray for one another. It is a time to reunite with God and one another to strengthen spiritual bonds. Prayers for women everywhere create a religious network of empathy and understanding. Although the essential purpose of the day is for worship, the day can also provide women with an opportunity to strengthen their ties with other Christian women as they pray together. "Virtuous Living in an Un-virtuous World," Sabbath March 7, 2020,\* written by Melody Mason, author of "Daring to Ask for More: Divine Keys to Answered Prayer" \*If March 7 is not convenient, feel free to choose another Sabbath to host this special day.

## SAVE THE DATE

Photos By: Kaitlynn Harushimana | Written By: Kaitlynn Harushimana

The Seventh-day Adventist Church in Newfoundland and Labrador has been here since 1895, marking this year as the 125th Anniversary! Four missionaries from Battle Creek, Michigan, boarded a ship to Newfoundland. Upon arrival, they met a lady by the name of Mrs. Anna Pippy, who became the first Seventh-day Adventist convert. To commemorate this, we will celebrate together during Camp Meeting from July 17-26, 2020, at Camp Woody Acres.

Thursday Evening we will have our "Newfoundland Time" concert which will feature local artists.

Sabbath afternoon will feature a beautiful re-enactment of Mrs. Pippy Story, written by our very own Trudy Morgan-Cole.

More details will be released at a later date.

Woody Acres is a beautiful campground, where individuals come together and become part of our church family, building relationships for eternity.

# STUFFED AT THE GILL'S

Recipes From: [www.stuffedatthegills.ca](http://www.stuffedatthegills.ca) | Photo Taken From: [www.stuffedatthegills.ca](http://www.stuffedatthegills.ca)

## Chickpea Curry with Vegetables and Coconut Milk

- 1 chopped medium onion
- 1 clove garlic, minced
- 1 pepper, cut in chunks (any colour or mix)
- 2 tablespoons oil
- 1 tablespoon curry powder or your favourite curry paste to taste
- 2 tablespoon tomato paste or 2 cups chopped tomatoes
- ½ teaspoon salt or to taste
- 1 large potato diced (about 1 cup)
- ½ cup water + more as needed
- 1 can 540 ml /19oz chickpeas, drained and rinsed
- 2 cups other vegetables (cauliflower, broccoli, green beans, sliced carrots, etc)
- ½ - 1 can 400 ml/14 ounces coconut milk
- 1 teaspoon sugar, optional
- Few drops hot sauce, optional
- Fresh lime for squeezing, optional

### How to make it:

In a large frying pan over medium-high heat, sauté the onion in the oil until onions are just soft. Add the garlic and peppers and cook another 2 minutes.

Add the curry powder (or curry paste) and tomato paste and cook for 1 minute. (If using diced tomatoes instead of tomato paste add them after you cook the curry powder.)

Stir in the salt, potato and water; cover and cook for 5 minutes. Add remaining vegetables and chickpeas and continue cooking covered an additional 5 minutes or until potatoes and vegetables are just cooked. They can be slightly under cooked at this stage. Add more water if mixture becomes dry.

Remove cover and stir in the coconut milk, sugar and hot sauce if using and continue to cook the mixture, stirring occasionally, until thick and creamy about 10 minutes. (I used ½ a can of coconut milk and found it sufficiently rich and creamy.)

Serve the curry on a bed of rice accompanied with hot naan bread or chapattis. A squeeze of lime juice over the curry is also delicious!
