Mother's Day Activities

This year, Mother's Day looked a little different; instead of meeting in our church buildings and being able to give those beautiful women in our life a big hug- we had to do something different.

On Sabbath, May 9th, several church members, including Pastor Dave and Jeanette, delivered 15 gifts to each mother of the Lethbridge church for Mother's Day. Social distance was kept, and it was such a blessing to see a smile on each mother's face. God has truly blessed us.

It has been amazing to see the creative outreach of our membership, Islandwide! Thank you for supporting each other, especially during this time.

Heroes Vacation Bible School

On Sunday, May 17th, the preparation of Heroes VBS Home Edition began. Each participant received a box filled with all the supplies they would need for the week. On Wednesday, all the boxes were packed and delivered to Goobies, where we met Bill Symonds, who took 30 boxes via Day and Ross, delivering them to the Leaders in St. John's, Bay Roberts, Conception Bay South, Grand Falls-Windsor, and Corner Brook.

On May 24th, every district had its VBS packages, and every registered child had their supplies! With many prayers, phone calls, personal invitations, 30 children attended VBS at some point this week.

Each day we took our VBS children on tour through Bethany, where we were able to meet many Bible Heroes and learn how to make a big difference in small ways. The Bible Heroes included Brave Miriam, Devoted Samuel, Caring Nora, Bold Rhoda, and Generous Jesse. Each day we learned about a young bible Hero that did big things for Jesus, and we can do big things too because "Jesus is with ME."

We also had some special guest Bible Heroes, two of which were Abraham and Sarah played by our very own Pastor and Mrs. Corkum. They shared how brave Abraham and Sarah followed the path God had for their life, and how God blessed the family for generations.

All had a great time as each day we went through the Oasis Prayer Station, Discovery Bible House, Marketplace Craft, and ended the day at the Inn. Each child was able to share, answer questions, and show their completed projects.

Although this was a different way of doing VBS, it did the job! Everyone walked away, blessed, and excited about Jesus. When asked what their favorite part of VBS was, most voted for the crafts (as the supplies were in their box), but Carly Mallard of Marystown said, "I love all VBS," and everyone agreed.

Thank you to our wonderful adult volunteers Amy Chafe, Stephanie McIntyre, Diane and Lawrence Burns, Bill Symonds, Pastor Etienne Harushimana, Pastor Jonathan Gascoyne, Pastor Jamie Joseph, Pastor Fred Nahirny, Pastor Ken and Celeste Corkum, Pastor David Boutcher, and all the parents who helped their children.

And also, our youth volunteers Selina and Jenna McIntyre, who led out on the closing program. And Christy Stokes-Vincent, Joshua Martin, and Gabrielle Young, who came and supported the children.

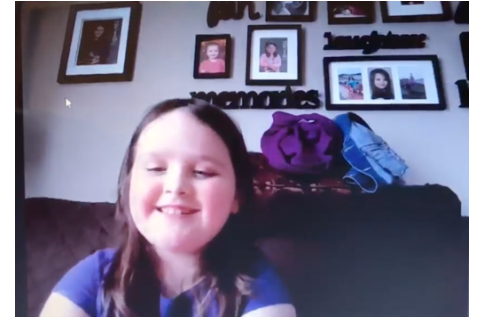

We are excited about our next Children's Program, which will be led by our youth here in NL. Please keep a lookout for the next program in the Newsletter! Heroes Vacation Bible School.

LiNC Worship Testimony

"We haven't been able to attend the LiNC Worship Services on Sabbath, our wifi is too slow, and we haven't been able to call in.

However, we have been receiving a DVD version of the service from our Pastor every week. Thank you, Steve McIntyre, for taking the time to make these for those who cannot attend. It is terrific every week to put in that DVD and listen to the different Pastors across the island. And we don't have to wait until Saturday we can watch them any day of the week. We are very grateful for this blessing of LiNC Worship."
