BAPTISMS HELD AT CAMP WOODY ACRES

On Sabbath, August 8, 2020, there were three baptisms held at Camp Woody Acres. Although the Camp Meeting program didn't go as planned, it was great to see something go forward as "normal." As it would be at Camp Meeting at 4 p.m. on Sabbath afternoon, guests gathered together down the waterfront. There were 39 people in attendance in person and 38 on ZOOM to celebrate the baptisms of Stephanie Baldwin from Corner Brook, and Wayne and Millicent Hart from Bonavista. The program was led by Diane and Lawrence Burns and Pastor David Boutcher. Clyde Hodder performed and led in the music, and the main speaker was Pastor Ken Corkum. It was clear the celebration was not just in heaven on Sabbath, as smiles and cheering covered the Camp waterfront and across the rest of the Island.

MARYSTOWN CHURCH CELEBRATES TOGETHER

The Marystown Church Family held a small backyard gathering on August 8 to witness the baptisms together. With the piano set up on the deck, they were able to hold a sing-along and share some testimonies. With a small message from Pastor Etienne Harushimana, the church family also voted in Carl Mallard and had a profession of faith from Miriam Mallard, welcoming them to the Marystown SDA Church family. It was an uplifting Sabbath as they watched the five individuals join the Seventh-day Adventist Church family in Newfoundland and Labrador.

UPCOMING OPEN-AIR SERVICE IN LETHBRIDGE

The Lethbridge Seventh-day Adventist Church will host another open-air service this Sabbath August 22, 2020, at 3 p.m. It is open to the whole island, and everyone is welcome to come and join this service. Social distancing will be required, and if you would like to leave your vehicle, lawn chairs are encouraged.

The last service was a huge success and enjoyed by all; the Lethbridge church family are looking forward to this next service and to be able share it with others.

LINC FOOTSTEPS

Wednesday, September 16 we have a new program called, “LiNC Footsteps”.

Beginning in October, this program will continue the first Wednesday of most months. It would be our monthly mid-week province-wide gathering. “LiNC” stands for Linking Newfoundland and Labrador Churches, and “Footsteps” references our journey as disciples walking together with Jesus. One blessing God brought out of COVID, was having us be more interconnected as one big church family across our province. Many have mentioned that we need to keep this momentum going, so LiNC Footsteps is one initiative to help make that a reality.

This program endeavors to involve different ages and persons so that we can grow from sharing one another’s experiences and gifts. The desire is to be more connected by developing relationships, while encouraging and equipping each other as followers of Jesus Christ. The program will include praise, a testimony time, a prayer segment, a mini message, and a break-out session. The break-out session gives a chance for guests to attend a district group who offers mid-week meetings. We can continue to enhance our local ministries by connecting together. Let’s move forward and walk as disciples of Jesus together in LiNC Footsteps. Stay tuned in how you can be involved!

OUR GREATEST DEFENCE

The Bay Side Health Resort in New Brunswick would like to promote the following ad “Our Greatest Defence”.

Please note that this ad inclusion is not an endorsement by NL Administration.

OUR GREATEST DEFENCE

We are all going through one of the worst isolating times in Christian history. We were meant to be social and this is especially true in the Newfoundland culture. Although we are located in New Brunswick, our founder is a true blooded Newfie! Born and raised in St. John's.

In these fearful times, our greatest defence against COVID-19, or any other infectious disease, is a healthy immune system! Here at "Bayside Natural Health Center", that is our specialty. Build a better, stronger you during one of our August cleanse programs.
