NL NEWSLETTER

NEW MISSION COMPLEX

By: Pastor Ken Corkum

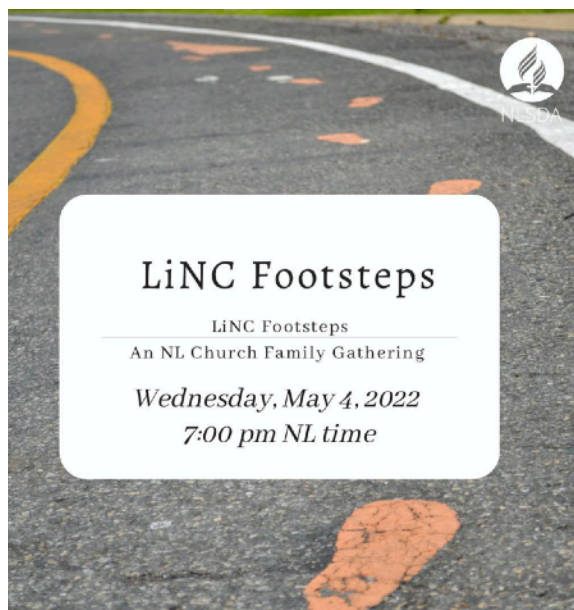

It is with much joy that I share that on Tuesday, April 26, we signed the counteroffer to purchase the Carnell Property adjacent to our office, as authorized by the NL Board of Directors. The closing date for the purchase is June 30, 2022. The new office will mean that both VOAR Lighthouse-FM and the NL Mission Administration can work together on the upper floor of a quality building. It has been over a 10-year journey to arrive at a place where we can replace our aging building, which has served us well. The purchase of the existing facility is a significant cost saving compared to building our own new complex. A new building would have involved:

- High costs for consultants.
- Bringing in water and sewer services.
- Landscaping with a paved parking lot.

There will be renovations in our new building and a due-diligence list to be met, however, the process has begun. May the Lord be with His Church in Newfoundland and Labrador as we work together to take the good news of the three angels message to the people of our Province.

LINC COMMUNION

By: LiNC Newfoundland and Labrador Churches

Sabbath, May 7, at 11:00 am. We would like to invite you to participate in LiNC Communion from the comfort of your home. Hosted by the Central NL Adventist District Church Family. Within the Adventist denomination, we believe that Communion is an open service to those who feel the need to express their love and commitment to God.

This gathering will include the ability to wash one another's feet and partake of the emblems of remembrance.

For the service, you will need water, a foot-washing bowl, towel, communion bread, and grape juice.

If you do not wish to participate, you are welcome to enjoy the songs, testimonies, and time of remembrance.
