NL NEWSLETTER

On March 31, 2022, the Seventh-day Adventist Church in Newfoundland and Labrador (NL Mission) held a virtual Town Hall Meeting to update the constituency on the new VOAR-FM Studios/NL Mission Office Complex. Leadership from churches, companies, and groups across the NL Mission field participated in this event, including Mark Johnson, President of Seventh-day Adventist Church in Canada.

This meeting was an educational session where Luis Capote interviewed Pastor Ken Corkum, President of the NL Mission. We learned that the office complex has been in progress since 2010. It went from a remodelling project of the current office building at 1041 Topsail Road to the prospect of a new facility in Kenmount Road property to the possibility of purchasing the Carnell property at 1045 Topsail Rd in Mount Pearl.

The meeting ended with a Question and Answer period in which constituents and employees voiced their comments, questions, and concerns. Overall, the meeting was an excellent opportunity for the NL Mission field to come together to share the recent developments that will bring our Church to new heights in our community.

Following the Town Hall Meeting, the Board of Directors of the NL Mission met, and the following actions were taken:

23-22BO CARNELL PROPERTY OFFER TO PURCHASE

Whereas The Carnell property at 1045 Topsail Rd, Mount Pearl, is available for purchase,
